Objective

Our primary goal is to help you regain your independence and maintain your health by providing care services in the comfort of your own home, while giving peace of mind to loved ones. Our care focuses on each individual's medical, emotional and social needs.

As a locally owned and operated agency, Providence Home Health Care will meet all your individual needs while providing personal and compassionate care. We understand how confusing the home care process can be, and strive to make this experience easier for you and your family.

Providence Home Health Care, the proud recipient for the second consecutive year of the 2007 Home Health Care Elite Award of Excellence, recognizes that each one of us possess a unique hierarchy of needs.

The Mission of Providence Home Health Care is to help our patients regain their independence and maintain their health by providing customized, comprehensive, and safe Care Services in the comfort of their own homes, while giving peace of mind to loved ones.

Payment Options

Home Health Services may be covered by:

- Medicare
- Medicaid
- Private Medical Insurance

Payment arrangements can be made if you are not covered under any of the above plans.

You should consider home care if you or a loved one:

- Have questions about medications, even after the doctor's visit
- Made a recent visit to the emergency room
- Were recently diagnosed with a health condition or illness
- Are concerned about a non-healing wound
- Have been diagnosed with diabetes, unstable blood sugar, or want to learn more about diabetic management
- Feel anxious, confused or have trouble sleeping
- Experience increased weakness, lower back or extremities pain, recent or increased falls
- Require more care than you currently have

What are the benefits of Home Care?

Recovery from an injury or illness is much quicker and complete in the comfort of your own home, in familiar surroundings, with your family and loved ones assisting in your care.

Can I receive Home Care Services without a hospital stay?

Yes, with the consent of your physician.

How long can I receive Home Care Services?

It depends on your individual plan of care.

Our professionals speak Polish, Ukrainian, Russian, Serbian and English.
